Mayor Adrian Fenty
John A. Wilson Building
1350 Pennsylvania Avenue, NW
Washington, DC 20004

Dear Mayor: *Adrian*

It is always wonderful to share good news and work well done. I write to share with you the partnership and exemplary efforts of the District's Fire Department over the last year in consistently touching the families who receive services at Mary's Center for Maternal and Child Care. Lieutenant Sean Egan, representing the DC Fire Department, secured Thanksgiving turkeys for 50 of the Center's neediest families. During the holiday season, Lieutenant Egan and Fairfax firefighter, Will Bailey delivered hundreds of toys for our most resilient yet vulnerable families, who would have otherwise not been able to provide gifts to their children. Mary's Center extends its humble gratitude to the cities civil servants who put their lives in danger on a daily basis to keep our families safe.

It is partnerships and generosity of the fire department that reaffirms to our neighborhood families that the Fire Department and its fighters are consistently committed to the communities in which they serve. Mary's Center considers the Fire Chief and the department as partners in realizing our mission. They literally save lives in their daily work and in doing so strengthen communities, one family at a time.

Sincerely,
